Dear Friends,

The purpose of this letter is to solicit a donation for the Silent Auction held annually as part of Trinity on the Green in New Haven's annual Holiday Bazaar. Proceeds from this event support the upkeep of our historic building including the restoration and preservation of the stained glass windows and the crumbling front steps. As an active vibrant downtown church, Trinity both enriches and enhances the New Haven area. As part of Trinity's global mission we provide support for over twenty non-profit organizations both locally and internationally.

A donation of goods, services, or a gift certificate from your organization is greatly appreciated. This donation is tax deductible and will provide a method of advertising for your business. A display will be constructed with your business name and other information provided to us such as a menu, list of services, or business card/flier. Your organization will be highlighted during the four-day Holiday Bazaar event. For your tax purposes, a receipt will follow after your donation is received.

Please consider making a donation. This gesture will serve to help our church, your organization, and the community.
